To whom it may concern,

My name is Irene Sher & my husband is Gary. It is a pleasure for us to write this letter about Tarek Tabalef. Knowing him for many years I can say he is a very honest and capable young man. He has great work ethics and his use of time is remarkable. He is a team player who can delegate responsibility as well as take direction. He is the type of young man that any company would love to have him & grow with them & their future. As a mother and grand mother I want to say I would be proud if my grandson grew up to be as well spoken, polite, and respectful as Tarek. If you have any questions please call me. I wish you & Tarek good luck. Best Wishes Irene Sher & Gary Sher
