I just wanted to let you know how nice it's been to work with Ta with a lot of people over my professional career (I'm now basic responsiveness and pleasantness. He's responded so well to himself not only with great professionalism, but in an extremely	cally retired), and he ranks in the top tier for some 'difficult' inquiries from me and handled
For first hand knowledge of his behavior, I'm sure he has a cop

Dear Larry,

Thank you so much for taking the time to write such a nice letter re: Tarek...We are very proud of him and do know how hard he works to making the experience a pleasant one. I myself have dealt with many people in my lifetime and they don't get much better than Tarek. He is a large part of why our operation works as well as it does. We are very lucky to have him with us and we tell him all the time. He takes pride in what he does and that's why the results are always 100% with him. Thank you again for taking the time to send such a nice letter and hope with can do business with you again.

Thank you, \_\_\_\_\_ Such a nice response. And to back up both yours and my comments, it seems to me Tarek is rather unique in this business. At least I haven't encountered many like him in your world.

Thanks again for your note.-Larry
